To Whom it May Concern

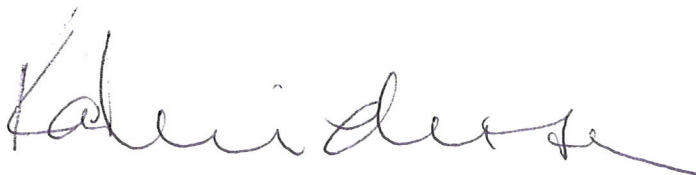

This letter authorises Ulick Baumann of Indooroopilly, and team members from 'Right Around Australia', to collect monies on behalf of the Cure Cancer Australia Foundation.

Any money raised by 'Right Around Australia' for the Foundation will be used to support research and treatment programs for leukaemia and cancer.

'Right Around Australia' is planning to ride Vespa scooters around Australia, leaving in June. Their journey, which will take 3 months, will include all major capitals and 100 smaller towns. On route, they will raise monies for Cure Cancer Australia.

Thank you for any help you are able to give. It is much appreciated and of vital support to the Foundation.

Yours sincerely,

Katherine Christian
